## More Math Night Pictures

## Math News

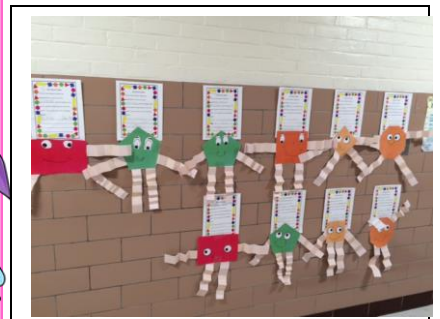

Second grade students made shape flip books to help them remember the characteristics of each shape.

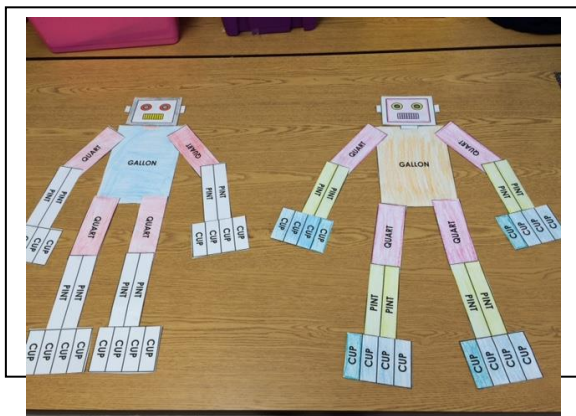

They also created their own flags using geometric shapes as part of their performance task.

First grade students made shape people and told where they would find their shape in the real world.

Fourth grade students made "Gallon Bots" to help them remember standard units for capacity for their measurement unit.

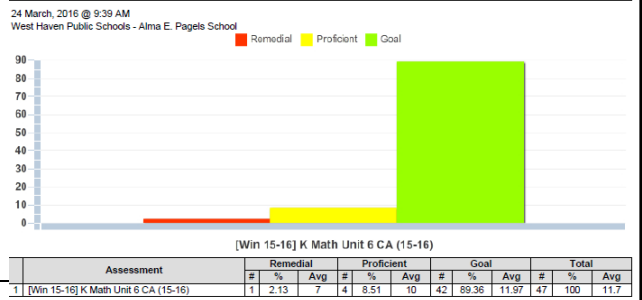

# Performance Tasks

## Math Data

Congratulations to all our students who have worked so hard to achieve such impressive scores!

### Kindergarten Unit 6: Teen Numbers 98% Goal or Proficient

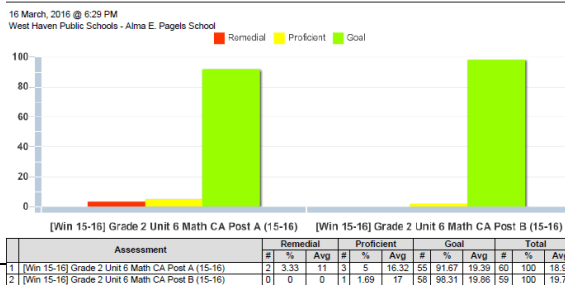

Fourth grade students will be using their skills in measurement to build planters in front of the school for a spring project.

Third grade students are using their knowledge of area and perimeter to create a classroom quilt.

### Grade 2 Unit 6: Geometry: 100% Goal or Proficient

### Grade 3 Unit 5: Area & Perimeter 95% Goal or Proficient
