Math Unit Focus

K-4

K - Unit 6: Teen Numbers (11-19) & Counting to 100

1st – Unit 5: Defining of 2-D and 3-D Shapes **Performance Task**

2nd –Unit 6: Reasoning with Shapes **Performance Task**

Unit 7: Linear Measurement with Standard Units

3rd – Unit 5: Understanding Area and Perimeter **Performance Task**

Unit 6: Reasoning about 2-D Shapes **Performance Task**

4th - Unit 6: Solving Problems involving Measurement and Data **Performance Task**

Math Data:

Congratulations to the excellent progress made by our kindergarten students on addition and subtraction within 10!

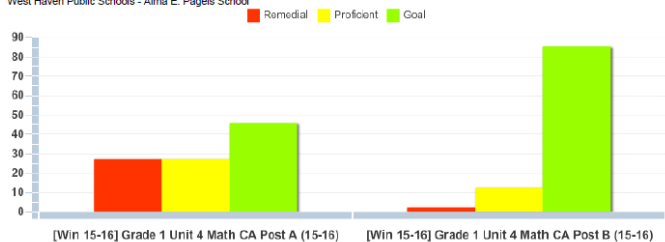

Kindergarten 100% Goal or Proficient

02 March, 2016 @ 1:31 PM
West Haven Public Schools - Alma E. Pagels School

Grade 1 Unit 4: 98% Goal or Proficient

08 March, 2016 @ 5:10 PM
West Haven Public Schools - Alma E. Pagels School

Assessment	Remedial			Proficient			Goal			Total		
	#	%	Avg	#	%	Avg	#	%	Avg	#	Avg	
1 [Win 15-16] Grade 1 Unit 4 Math CA Post A (15-16)	13	27.08	9.85	13	27.08	13.53	22	45.83	15.64	48	100	13.5
2 [Win 15-16] Grade 1 Unit 4 Math CA Post B (15-16)	1	2.08	12	6	12.5	13.82	41	85.42	15.63	48	100	15.29

March Math Tip

Geometry is the focus area for grades 1-3 in the month of March. Manipulatives can be very helpful in your child's understanding of 2-D and 3-D shapes and their properties.

See what items you have in your home that could help your child see math in the real world! Examples for a cylinder, cube, and cone:

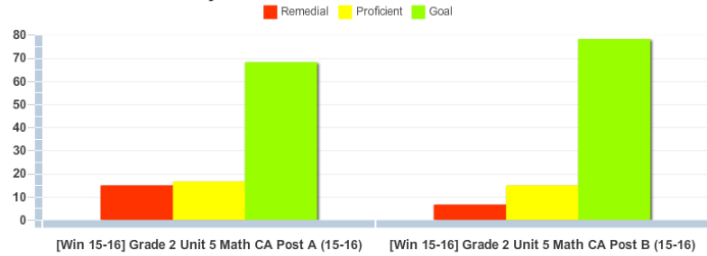

Math Data

Grade 2 Unit 5: Money 93% Goal or Proficient

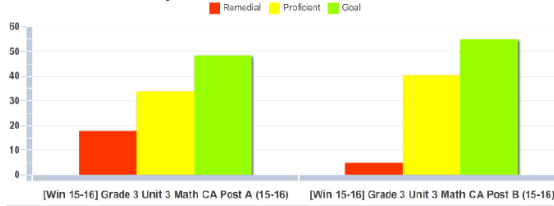

02 March, 2016 @ 1:53 PM
West Haven Public Schools - Alma E. Pagels School

Assessment	Remedial			Proficient			Goal			Total		
	#	%	Avg	#	%	Avg	#	%	Avg	#	%	Avg
1 [Win 15-16] Grade 2 Unit 5 Math CA Post A (15-16)	9	15	13.43	10	16.67	17	41	68.33	18.78	60	100	17.64

Performance Tasks

Third grade students used what they learned in their unit on measurement to plan a party. They needed to order the correct number of pizzas and drinks as well as give an account of the time involved for each of the activities.

Fourth grade students used what they learned about fractions to complete their performance task about ordering the correct number of pizzas for the best buy.

Were they able to get the most pizza for the best price?

These real life skills will come in handy in the future.
