December 2014  
Haley & Pagels Edition

## Happy Holidays !

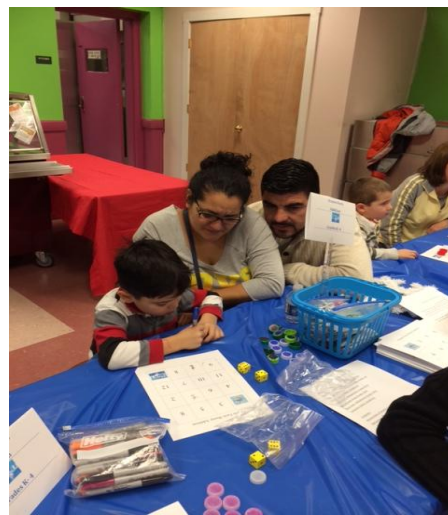

### Math Nights at Pagels and Haley

Math Nights were recently held at Pagels School on December 8<sup>th</sup> and Haley School on December 11<sup>th</sup>. After a great Pasta dinner, the rest of the evening was devoted to games to help increase math fluency. Among the games were Sequence, Math Dash, Multiplication Bingo, and Frozen Facts. Teachers, parents and students had a great time and learned some new games as well. Below are a few pictures from the events including the winners of the estimation station! THANK YOU to all students and parents who attended, and to all the staff who participated.

*The K-4 students at  
Haley and Pagels will  
be taking the winter  
Symphony  
Math Benchmark Test  
when they  
get back from vacation.*

## K-4 Current Units of Study

K – Unit 4: Fluency with Addition and Subtraction within 10  
First – Unit 3: Counting and Place Value  
Second - Unit 3: Fluency with Addition and Subtraction within 100
