Happy Summer Break!!

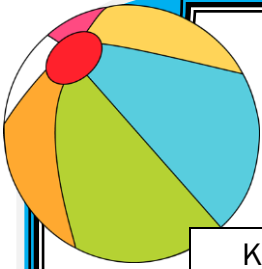

Math in the Real World Connections

First grade students practiced their time telling skills and abilities to read a schedule by making a book of their activities at the zoo.

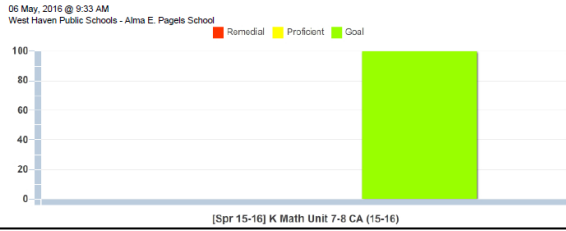

Congratulations to the students shown below for making the most progress on their Symphony Benchmark from the fall.

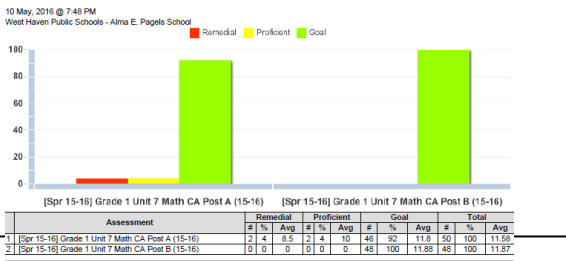

Math Data

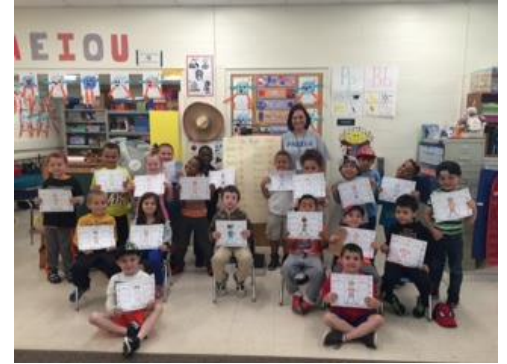

Kindergarten Units 7 & 8 100% at Goal

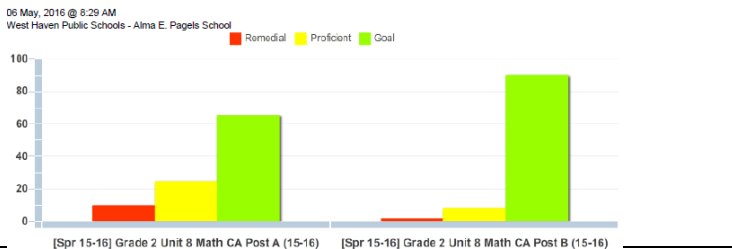

First Grade Unit 7 100% at Goal

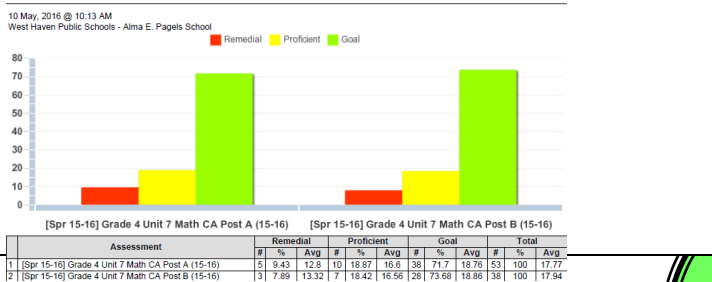

Ms. Massey's Kindergarten class learned about measurement, weight and ordering from smallest to largest during a recent classroom activity.

Grade 2 Unit 8: 98% Goal or Proficient

Grade 4 Unit 7: 93% Goal or Proficient

Have a great summer!
