## Corrections to Pearson Login Information

Pearson wiped out our login information at the end of the year so we created new ones for this year. Please use this new information.

Pearson website [www.pearsonsuccessnet.com](http://www.pearsonsuccessnet.com) to obtain additional explanations of the concepts taught in school. Student usernames and passwords are as follows:

**Kindergarten:** kstudent1516 math1234

**First grade:** 1student1516 math1234

**Second grade:** 2student1516 math1234

**Third grade:** 3student1516 math1234

**Fourth grade:** 4student1516 math1234

## Math Unit Focus K-4

**K - Unit 3:** Counting and Matching Numerals 11 - 20

**1<sup>st</sup> - Unit 2:** Addition and Subtraction Within 20

**2<sup>nd</sup> - Unit 2:** Place Value to 1,000 **Starting Unit 3:** Fluency with Addition & Subtraction within 100

**3<sup>rd</sup> - Unit 2:** Connecting and Using Multiplication and Division

**4th - Unit 2:** Understanding and Using Place Value to Multiply and Divide **Starting**

**Unit 3:** Multi-Digit Whole Number Computation

## Math Data

Congratulations to our first and second grade students for outstanding progress on their first assessments. 100% of our first graders and 95% of our second graders scored proficient or higher on their final post- tests.
