April 2015
Haley & Pagels Edition

Upcoming Events

Carnival Family Math Night

Haley School

When: Wednesday
May 6, 2015
5:30-7:00

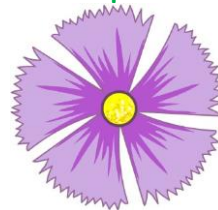

Pagels School: Tuesday

May 12, 2015
5:30 - 7:00

Welcome Spring!!

It's been a long time coming and we welcome you with open arms!

April is a very busy time for our 3rd and 4th grade students in math who will be taking the Smarter Balanced State Assessments in the computer labs. Both Haley and Pagels schools should be completed by the end of April.

Carnival Family Math Nights Save the Dates!!!

Our last family math nights for Haley and Pagels Schools will be coming up on May 6th for Haley School, and May 12th for Pagels School. We are going with a Spring Carnival Theme with math games being offered in a carnival-like atmosphere. Look for flyers coming home for more information.

K-4 Current Units of Study

K – Unit 7: Identify and Describe 2-D & 3-D Shapes

First – Unit 6: Partitioning Circles and Rectangles

Second – Unit 7: Linear Measurement with Standard Units

Third – Unit 6: Reasoning about 2-Dimensional Shapes

Fourth - Unit 6: Solving Problems involving Measurement and Data

April Math Riddle!!

(Answer next newsletter)

What geometric figure is like a lost parrot?

Answer to March Riddle:

I add five to nine, and get two.
The answer is correct, but how?

A. When it is 9am, add 5 hours to it and you will get 2pm.
